Key points of the Bring Your Own Device Policy

- Personal devices may access company email and apps only after enrolment in mobile device management (MDM).
- Devices must have a screen lock, encryption and up-to-date software.
- The company can see and wipe the work profile, not personal photos or messages.
- Lost or stolen devices must be reported within 24 hours.
- On exit, work apps and data are removed from the device.

Acknowledgement

- [ ] I have received and read the Bring Your Own Device Policy and had the chance to ask questions about it.
- [ ] I understand that breaching the policy may lead to disciplinary action, up to termination of employment.
- [ ] I consent to MDM enrolment and to remote wipe of the work profile on my device.

The company may update the policy; the latest version on the intranet applies.
