Terms

1. I authorise the company to obtain my credit information from the bureau(s) named, under the Credit Information Companies (Regulation) Act, 2005, for the purpose stated only.
2. A lender's enquiry may appear on my credit report; a soft check for non-lending purposes does not affect my score.
3. If the company declines my application based on the report, it will tell me which bureau it used so I can get a free copy.
4. This consent is valid for 6 months or until the purpose is complete.
