Risks of the activity

Horse riding carries real risks, even with trained staff and good equipment. They include:

- Falls from the horse, which can cause serious head and spine injuries
- Kicks, bites and being stepped on
- Horses can be startled by noise, dogs or traffic and act unpredictably
- Being dragged if a foot catches in a stirrup

Rules

1. Wear a riding helmet and boots with a heel at all times when mounted.
2. Do not walk behind a horse or feed it without permission.
3. Stay with the instructor; do not gallop unless told.
4. Riders over the stable's weight limit may not be allowed to ride.

☐ I will follow them and any instruction from the staff. Staff may stop me from taking part if a rule is broken.

Assumption of risk and release

- I take part voluntarily and accept the risks described above, as well as risks that cannot be foreseen.
- To the extent the law allows, I release the riding school, its staff and volunteers from claims for injury, illness, loss or damage arising from my participation, except claims caused by their gross negligence or wilful misconduct.
- I will compensate the organiser for loss caused by my own breach of the rules or deliberate damage to equipment or property.
- In an emergency, the staff may arrange first aid, transport and medical treatment for me. I will pay the reasonable costs that insurance does not cover.
- Nothing in this release limits any liability that cannot be excluded under Indian law, including the Consumer Protection Act, 2019.
