☐ To the best of my knowledge my child is fit to take part in the indoor play area and will tell the staff at once if that changes.

Risks of the activity

The indoor play area carries real risks, even with trained staff and good equipment. They include:

- Bumps, falls and collisions on slides, climbing frames and ball pits

- Finger and toe injuries
- Spread of minor infections between children

Rules

1. Socks must be worn; no shoes in the play area.
2. Children stay in the zone suitable for their height and age.
3. Only the adult named here may collect the child; staff may check ID.
4. No food or drink inside the play structure.
5. Children who are unwell should not use the play area.

☐ I have explained these rules to my child, and my child will follow them and any instruction from the staff. Staff may stop my child from taking part if a rule is broken.

Assumption of risk and release

- I allow my child to take part and accept the risks described above, as well as risks that cannot be foreseen.
- To the extent the law allows, I release the play area, its staff and volunteers from claims for injury, illness, loss or damage arising from my child's participation, except claims caused by their gross negligence or wilful misconduct.
- I will compensate the organiser for loss caused by my child's breach of the rules or deliberate damage to equipment or property.
- In an emergency, the staff may arrange first aid, transport and medical treatment for my child. I will pay the reasonable costs that insurance does not cover.
- Nothing in this release limits any liability that cannot be excluded under Indian law, including the Consumer Protection Act, 2019.
