Why we need your data

We process personal data to provide the service, keep it secure, bill for it, and improve it. Cookies and similar tools are grouped below; strictly necessary cookies are always on because the service cannot work without them.

Data we collect

- Account details: name, email, phone, organisation
- Usage data: pages viewed, features used, device and browser, IP address
- Support conversations and feedback

Your choices

- [ ] I have read the privacy notice version shown above.
- [ ] Allow analytics cookies to help improve the service.
- [ ] Allow personalisation cookies to remember my preferences.
- [ ] Allow advertising cookies and sharing with ad partners.

Your rights

- Retention: account data is kept while the account is active and for up to 180 days after closure; cookie choices last 12 months, after which we ask again.
- You may withdraw consent at any time, as easily as you gave it, by writing to the grievance officer. Withdrawal stops future processing but does not affect what was done before.
- You may ask for a summary of your data, its correction or completion, and its erasure once the purpose is served.
- You may nominate someone to exercise these rights if you die or become unable to.
- If we do not resolve a complaint, you may approach the Data Protection Board of India.
