Rules

1. The captain (the member signing) is responsible for the team's fees, conduct and eligibility.
2. Only registered players may play; changes to the squad are allowed until the deadline.
3. The referee's decision is final on the field; appeals go to the league committee within 24 hours.
4. Every player plays at their own risk and must sign the league's individual waiver.

Freeze, transfer and cancellation

- The member may freeze the membership for medical reasons or travel, up to the days allowed for the plan, with notice.
- The membership may be transferred once to another person for a transfer fee, if the plan allows.
- Cancellation within 7 days of joining gets a refund less the joining fee and days used. After that, fees are refundable only on medical grounds or relocation more than 25 km away, pro rata.
- The league may end a membership for serious or repeated breach of the rules, refunding the unused fee pro rata.
