Your rights

- Retention: academic records are kept as long as board rules require; other data is deleted within one year of the student leaving.
- You may withdraw consent at any time, as easily as you gave it, by writing to the grievance officer. Withdrawal stops future processing but does not affect what was done before.
- You may ask for a summary of your data, its correction or completion, and its erasure once the purpose is served.

- You may nominate someone to exercise these rights if you die or become unable to.
- If we do not resolve a complaint, you may approach the Data Protection Board of India.
