Risks of the activity

Trampoline jumping carries real risks, even with trained staff and good equipment. They include:

- Sprains, fractures and dislocations, often from awkward landings
- Collisions with other jumpers
- Head and neck injuries from flips
- Falling off a trampoline onto a frame or floor

Rules

1. One jumper per trampoline bed.
2. No flips or somersaults unless in a supervised zone.
3. Grip socks must be worn; no food, gum or sharp objects on the court.
4. Smaller children use the toddler zone only.
5. Adults must supervise children under 7 at all times.

☐ I have explained these rules to my child, and my child will follow them and any instruction from the staff. Staff may stop my child from taking part if a rule is broken.

Assumption of risk and release

- I allow my child to take part and accept the risks described above, as well as risks that cannot be foreseen.
- To the extent the law allows, I release the trampoline park, its staff and volunteers from claims for injury, illness, loss or damage arising from my child's participation, except claims caused by their gross negligence or wilful misconduct.
- I will compensate the organiser for loss caused by my child's breach of the rules or deliberate damage to equipment or property.
- In an emergency, the staff may arrange first aid, transport and medical treatment for my child. I will pay the reasonable costs that insurance does not cover.
- Nothing in this release limits any liability that cannot be excluded under Indian law, including the Consumer Protection Act, 2019.

Initials _____

☐ The organiser may use photos or videos of my child taken during the activity in its own social media and promotion.
